

Register of Deaths Valby
(2/1876)

† May 17th, 1876
± May 23rd, 1876

Lorents Lorentsen in Valby,
retired farmer, married,
81 years old.

Comments : His marriage record of 1826 identifies him as
Lorenz Lorenzen, legitimate son of the farmer Peter
Lorenzen and Cecilia née Petersen in Rabenkirchen in Angeln.

A census record of 1845 shows a Lorenz Lorenzen, to be
51 in that year, married, but no wife shown with him, working as a day
laborer in Faulueck, parish Rabenkirchen. Born in the parish Rabenkirchen.
You said your family stories go that Lorenz lived separated
from his wife and family ?

I have found no birth / baptismal record in
Rabenkirchen that matches the names of his parents. The
census of 1803 of Rabenkirchen shows that Peter Lorenzen,
34, lived in the household of his parents, Lorenz Lorenzen, 64,
a day laborer, and his wife Anna Lucia, 52, a midwife.
It says that Peter was married once and is not any
more. He was divorced.
