Dear mother:

This is Sunday evening, not having any church tonight I thought would be a good time to get caught up on my letter writing. How are you by now. Clarence said you looked fine & was glad to see her & her you. Everyone here is well & going strong.

Byron & Chlo are over today but we haven't seen them yet they & Edna have gone down to Ahiss. but said they would be back soon. Maggie Simpson was put in as Relief Society pres. today with Helen Mackley & Theo Morrison as counselors. I'm sure she'll do a fine job.

The Primary Presiding & Bishopric

went to Heber Sat. to a primary convention they have dismissed the primary stake board except for the presidency. so it will put a little more responsibility on the wards.

I suppose Laurence told you that Larry is married. He & Jo than Anderson were married Feb. 18 in Las Vegas. We had a reception for them last Sat. which was real nice. Jo than is a very nice girl & we are so happy for them. They are so happy they are still an cloud nine. They bought Orlan Watkins home, it was all furnished & is real nice. so they have a very good start.

This is Monday morning Byron & Clela come about six and spent about an hour. They look well Clela thinks she is getting better. They said that Rita & husband are planning on coming out in a couple of weeks so we may see they

your baby.

I suppose you heard about Louise & Albin about being in that plane wreck near Las Vegas. We haven't heard anything lately, but hope they are getting along okay. I guess Aunt Ella is staying with their children.

We have a little snow this morning & is still snowing.

Let us know when you are planning on coming home.

Write often.

Love

Donna
