About my suit I left it at Ft. Douglas
because the night before I left and promised
to come and get it but he didnt come
and we left the next day so I didnt
have time to mail it home.

I'm sending the receipts for my insu-
rance and Bonds home for you to keep.

I might be here another week so
keep writing at this same place.

Its been raining for the last two days and its still raining so Im just lofing around for today. but it seems good to have a rest. I got another letter from Warth murray yesterday and he is doing fine, he avriged 91% in his monthly exams. that preaty good for a fellow who didnt go very far in school.

I havent heard from Howard yet but I gess I got to give him time, but I hope he writes soon.

Thanks again for everything and tell Edna to write me a long letter and tell me all the news.
