

U. S. ARMY AIR FORCES
GEORGE FIELD, ILLINOIS

April 20;

Darling. I'll just write a few lines before going to bed. I just got off work. I go on C-46[~] tomorrow. I've been working quite hard lately so I haven't taken time to write. We've been getting ships ready to ship to England. They leave in the morning.

I really haven't much to write about honey. I've been staying in for the past two weeks.

Financial condition. Terra Haute where this Fowler girl was killed is about 80 miles from here. I've never been there but I expect to go next week. Lee and I are quite camp stayer inners so we don't get out much. The first of ~~this~~ this month we had quite a good time high kicking down to Kentucky which is about 75 miles ~~ago~~ away. I'm so sleepy I can hardly keep my eyes open so I'm not thinking ~~so~~ very straight in writing this letter.

Be good honey and send a kiss &. Thanks for the lovely letters and keep them coming.
Love Carl.
