June 16,

Dear Donna,

I'm sorry I've taken so long in writing but I was down to Cuba for 2 weeks transporting men back to Florida. It's plenty hot down there and I've got a good tan on my face. How is everything home? I hope ok. I'm back on C46 now it seems they like to change us around a lot. There's not much to write about. I'm a very poor writer anyway. Thanks for the pictures they're very nice. You're still my best looking girl. I think so too. I hope some day I get up enough ambition to have one taken of myself. What are you doing now school out? I hope you're being good.

I guess the next thing to write about is the weather. Its quite warm but it still rains about every day. I would like to go swimming but I don't like the muddy water they have around here.

Well Honey take care of yourself and please don't wate as long to write as I did. I realy love to get you letter.

When I get home I'll make up for lost time if you still there.

Love Carl.
