Aug 18,

Dearest Donna,

Thanks for the lovely letter. I have some bad news. I won't be home for quite some time all furloughs are frozen seeing that the war is finishing up so there's not no telling when I'll be home. I guess I'll wait until I can come back for good and that might be 6 months to a year.

We had a big parade here Thursday, but I was flying at the time so I wasn't in it, but I heard it was quite an affair.

I see you had quite a time while you were in Vernal, I wish I could of been there to of enjoyed it

with you.

Well Honey there not much to write about. I hope your keeping well and happy.

Take care of yourself and keep those letters coming.

Love Carl.
