Aug. 4.

Dearest Donna,

I received your very nice letter today, but I still don't know what you're doing in Salt Lake. Who is Jayne?

Do you work or is it just a vacation?

Will you be home if I do come home in September? I hope so I would like to make your life a little more miserable.

I feel quite tired tonight. I've been taking a B24 down because it had a rick and was using it for salvage. It's quite a job we took the tail and one outer panel of a wing off today. It's my day off tomorrow Sunday and I think I'll go to town and play a little golf.

I've been doing that on my day

off ever since I got here. The really  
got some nice golf courses. I made  
a score of 96 last Sunday in 18 holes.

Did you ever play golf? If not I'll  
teach you some time.

Well Honey that's about all I have  
to write about. Take care of yourself  
and keep writing Love Carl.
