MC DONALD FAMILY REUNION  
IS HUGE SUCCESS

## THE 1984 JOHN KILPATRICK MC DONALD FAMILY REUNION IS NOW HISTORY

IN ORDER FOR YOU TO RESERVE THE 1985 REUNION DATE WE ARE GIVING YOU PLENTY OF ADVANCE NOTICE. The date agreed upon at the recent reunion is:

FRIDAY EVENING, SEPTEMBER 20, 1985  
SATURDAY MORNING, SEPTEMBER 21, 1985  
AT SALT LAKE CITY, UTAH

ENCLOSED IS ONE OF THE PRINTED PROGRAMS FROM THE RECENT REUNION. One of the choice memories from the reunion was the Irish medley of songs played by Afton Woffinden on one of the old family violins. It had been recently restrung by its owner Wellington McDonald and brought to the reunion. The violin is thought to have been owned by John Kilpatrick McDonald or his son John Taaffe McDonald (or both). Each played a violin in his day.

For those of you who were not in attendance at the reunion, we will share some of the COMMENTS WRITTEN ABOUT THE REUNION.

"From start to finish it was a fascinating experience. I came away feeling much closer to my ancestors and having a greater appreciation for them. I loved the stories, slides, and family connections. I hadn't planned to go on the tour Saturday but after Friday's meeting I couldn't miss it. I thought it was so interesting and was glad that I went. I went as a passive member and came away a member of the research committee for our branch of the family."....Donna Teeple (who did the art work on the heading).

"Our McDonald Family Reunion of August 17 & 18, 1984 was a great experience. I was amazed to find that John Kilpatrick McDonald had so many wonderful descendants. Those attending the reunion demonstrated a real interest in learning more about the family and seemed anxious to participate in the effort to bring the family together. I'm very excited about future reunions. I think they'll be even better. I believe our ancestors are aware of our family goals and can imagine how pleased they must be."....Wes McDonald

"I got to know most of the family names by keeping genealogical records, but it was a wonderful treat to meet the people and know we share common heritage. A wonderful reunion."....Laurie Huffman

"I especially liked the Continental breakfast and the tour on Saturday. Lots of fun."....Jacquie Huffman (age 15)

"It was wonderful for me because I found a whole new family that until the reunion I didn't even know existed. It was a fantastic experience for me. I thoroughly enjoyed it. I think our ancestors would be proud of the meeting."....Jim Hendricksen

"I felt that each person attending came as separate individuals or part of small family clusters but that at the conclusion we all left as one united family—all descendants of this one man, John Kilpatrick McDonald with whom we had become better acquainted."....Dick McDonald

A number of marvelous pictures of our ancestors were shared at the reunion and many more have been located since the reunion through the untiring efforts of our photographic archivist, Wes McDonald.

A family crest has been authenticated and will be used on membership certificates for all who have or will yet send their initial \$10.00 (or more) membership. Checks should be made payable to:  
The John Kilpatrick McDonald Family Organization

and mailed to:  
Taffee Lyn Turner  
1671 Trowville Lane  
Hayward, CA 94545.

A genealogical committee has been organized within the family association for the purpose of funneling all available pictures to our Photographic Archivist, Wesley McDonald and history and research information through the designated representative.

October 1984

The foregoing is but a small part of the history of our ancestor, John Kilpatrick McDonald. At the reunion we reviewed the goal of a printed family history, with one suggested title of...

JOHN KILPATRICK McDONALD  
HIS ROOTS AND HIS BRANCHES

It was determined that the history would incorporate information and pictures that can be found on his children and his grandchildren, as well as all possible information about his ancestors. It would interest you to know that at this time there are three living grandchildren of John Kilpatrick McDonald. These are:

Elsie Marie Nott George (she will be 92 on 11/24/84)  
Donald Marsden Nott (he is 89 years old)  
Agnes Sarah Nott Mansfield (she is 84 years old)

Assuming a 200 page book with pictures and typeset pages with a minimum of 100 to 300 books printed, we estimate a publication cost of \$12.00 to \$18.00 each (based on donated typesetting). A preliminary count showed an interest in 100 books from just those present at the reunion. We probably would print a larger quantity of the pages and bind them in groups as orders are received.

It has been thought wise to set up some kind of a publication trust fund to insure that the project of printing the family history will be completed. In this way orders for books could be placed now and money submitted with complete assurance that if the book was not printed, the money would be returned to the sender. In this way we can get commitment of what quantity to print and bind. Craig Carman, the Salt Lake attorney descendant of John Kilpatrick McDonald, will set up the trust. Meanwhile please canvas your family to see how many books would be desired for this "once in our lifetime" offering. Keep in mind yet unborn children who will want their own copy of their ancestor's history and pictures.

Photographs that you think would have general interest for the family should be sent to our Photographic Archivist, Wes McDonald at the address shown for the committee. These photos will then be photographed and returned to you. The best of professional care will be given them.

We are trying to locate a photograph of Rachel Burke Taaffe that can be copied and used in the family history book. If anyone knows of the whereabouts of such a picture please contact Wes McDonald or Dick McDonald. Your interest will be appreciated.

Search through your old trunks, in your attics, in your basements and your garage and see if you can find items or photos that would be excellent for reproduction and inclusion in the family history book.

When our work is finished we will have a hardbound book, approximately 8½" x 11½" with a thickness of ½" to 1" that will add dignity to your library and more importantly a record of your own family with heart warming stories and a family tree. It will be well worth whatever time and money is expended by all.

Please let us hear from you regarding the number of such books that you would want.

Sincerely your fellow family member,

*Dick McDonald*
