

TRAMPS.

One Hundred and Five of the
Elders of the Mountain Meadows
Church to be Let
Loose on the World.

The following is a list of the tramps, who are to go forth among the intelligent people to preach the doctrines of the Mountain Meadows Church, which are Blood Atonement and Polygamy. As they are all to be let loose without purse or scrip, in autumn and mid-winter, it will be well for people abroad to keep a sharp out look for them.

"Tramp, tramp, tramp, the boys are marching." Read the list:
