Dear Mother:

This is Tuesday evening the little ones
are lulled down & the big ones are on
their way but they have to play so
long & clamor around. How are you
enjoying St George by now. From
the sound of your letter you are keeping
busy, and I know that makes you
happy. Everyone here is well, I have
a frog in my throat but not bad.
Carl came down tonight, he is going
to try and get him a good time
for down here this winter and
~~let~~ have Ray run the station.

We received a letter from Clea today
still wanting us to come over for
Thanksgiving so as far as we know
we will go over there.

I suppose you know Dee & Alice have
a baby boy born two weeks ago.

he delivered it him self.

Linda Hall & Larry Knight were married Sat. evening at the Kaman's beach house then had a reception up here. They had a very large crowd. Axel was master of ceremonies.

Uncle Mark & Valate left for Salt Lake yesterday morning. Grace K. drove them out.

We were sure surprised to think Uncle Ray didn't get re-elected in fact there were quite a few surprises in the county as well as the national.

I guess you know by now that Carl talked in state conference. He surely did a fine job. I really thrilled me.

I have finally got most of my house cleaned up had the rug cleaned. Ther, also had the shagreen cleaned so it looks much better.

Thank you for the nice B. card & pen you must ~~know~~ what a time I have

keeping a pen. I had a nice birthday Carl came down and we went to the Community Center. Carl gave me money for a coat (which I used to have the rug & couch cleaned) Edna make up & handkerchief. mother gave gloves & scarf, Dick bracelet earrings & training board cover, John a new shirt, made a Santa Clause full of candy, then Sunday we went down to mamma's for ice cream & cake.

Bob & Ben. just returned from a weeks trip around the Carolinas, that the won for selling so many S.E. Appliances. they really had a nice time.

Terrell is wondering when you are coming home & can't see why you went down there.

Donetta takes dancing each Monday & just loves it.

Heris hoping you have a nice Thanksgiving & stay well. Write often even if I don't

Love
